Common Criteria

Please Update Your Bookmarks. The Common Criteria Project With The NIST Computer Security Division Is No Longer A Part Of The Work We Do, And Therefore Has Been Removed From The CSRC Website To Make Room For Other Projects.

Note: The URL provided is part of the National Information Assurance Partnership (NIAP) program with NSA.

Purpose of NIAP: The National Information Assurance Partnership (NIAP) is a U.S. Government initiative originated to meet the security testing needs of both information technology (IT) consumers and producers and is operated by the National Security Agency (NSA).
